JAMES (EMMANUEL PAUL) YAMBASU

Survey Researcher · Data Analyst · Public Health Data Systems

jamesyambasu743@gmail.com | Freetown, Sierra Leone | LinkedIn | Upwork | Learn2Earn

PROFILE

Survey researcher and data analyst who works end to end: instrument design in KoboToolbox, field enumeration, cleaning in Excel, and written findings clients act on. Supporting climate-informed disease surveillance at IMACS while reading for a BSc in Mathematics and Statistics at Fourah Bay College. Recent work: 29 structural errors fixed in a live XLSForm, 132 field responses cleaned into an analysis-ready dataset, four paid bounties won on the MoCTI Learn2Earn platform.

EXPERIENCE

Personal Assistant to the Technical Assistant · IMACS — 2026 – Present

- **Audit** and clean KoboToolbox submissions for a climate-informed disease surveillance programme, resolving form and structural errors before analysis.
- **Support** CI-EWS and DHIS2 integration work, helping route surveillance indicators into national reporting workflows.
- **Accompanied** the Technical Assistant through the GC8 Funding Request Workshop (Malaria working group), turning live transcript segments into day-by-day debriefs.

Undergraduate Research Fellow · International Youth Council on Gender Equality — Jan 2026 – Present

- **Review** and synthesise published literature on gender equality and social equity into research summaries for organisational publication, and present findings to internal and external audiences.
- **Two** research pieces written, submitted and published to the organisation's columns.

Freelance Survey Researcher & Data Analyst · Upwork · MoCTI Learn2Earn bounty platform — Jun 2026 – Present

- **Four** paid bounties won since June 2026 (SLE 1,621.50 total, Junior rank) across storytelling, entrepreneurial problem-solving, professional presence and client-management briefs.
- **Deliver** survey design, data cleaning and reporting for NGO, development and market research clients on an independent basis.

Survey Research Assistant · Insight Research and Media Firm — Apr – May 2026

- **Designed** and deployed survey instruments in KoboCollect for market research serving business, organisation and government clients.
- **Conducted** field data collection, then cleaned exported datasets in Excel and produced the statistical summaries delivered to clients.

Survey Research Assistant · Big Markit — Mar 2026

- **Led** an end-to-end market validation survey for a Pan-African digital commerce platform: built the instrument from scratch, deployed it via KoboCollect and enumerated across multiple sites.
- **Audited** the XLSForm and corrected 29 structural errors, then merged and cleaned 132 responses into an analysis-ready dataset and a formal report behind the client's market positioning strategy.

Field Enumerator · Budget Advocacy Network, Kono District — 2025

- **Conducted** structured field data collection in KoboCollect across multiple sites for a study on women-led micro-enterprises.

EDUCATION

BSc Mathematics & Statistics, minor in Geology — 2024 – 2028 (expected)

Fourah Bay College, University of Sierra Leone — entering third year.

- **Selected coursework:** STAT 225 Time Series Analysis — led a group project modelling live plant growth data, delivering a report, an Excel workbook and a presentation.

SKILLS & TOOLS

Research: Survey design · XLSForm authoring & auditing · Field enumeration · Market validation · Literature review · Social and policy research

Data: Data cleaning & entry · Dataset merging · Descriptive and statistical analysis · Time series · Data visualisation · Reporting

Tools: KoboToolbox / KoboCollect · DHIS2 · CI-EWS · Microsoft Excel · Word · PowerPoint · Google Workspace

Languages: English (professional working) · Krio (native)

CERTIFICATIONS & LEADERSHIP

MoCTI / UNICEF Learn2Earn Programme, Cohort 2 — all six freelancing and data modules completed (2026)

Mastering Freelancing, Module 6 — Sierra Leone Learning Passport (May 2026)

Professional Certificate in Peace Leader Studies — Hekima University College & Jesuit Worldwide Learning

Public Relations Officer — Catholic Youth Organisation, parish level
